

WORKING BEE

Saturday 16th November 2013

Time: 9am to 12pm

Morning Tea will be provided

On Saturday 16th November 2013 we are hoping to accomplish a lot of those little things that build up and need attention.

Below you will find a list of jobs that need to be done on the weekend. Otherwise just turn up on the day and look at the job board and take on a job or two.

Even an hour makes a difference.

On behalf of all the Campus Kindy staff and children many thanks.
