

# Welcome to Holiday Kindy!

June 30<sup>th</sup> – July 4<sup>th</sup>

July 7<sup>th</sup> – July 11<sup>th</sup>

Holiday Kindy is an enjoyable and engaging time at Kindy where the children and teachers from different rooms get to know one another. At this time we will be operating in the two front Kindy rooms. Over the holiday Kindy period there will be teacher led experiences that the children can choose to join. We will also be following our emergent curriculum through planning meetings and following children's interests. As the children work hard through out the term engaging in the program we also feel that this time is a chance for them to relax and unwind. While always offering the children an engaging environment and program we will also be mindful of fostering restful experiences and opportunities.

Across the weeks children will have access to:

- The Bike track
- Climbing tree
- Art Equipment
- Caring for the chickens and gardens
- Stories
- Variety of play equipment and materials suited to the children's interests
- Sandpit and cubby house
- Relaxation sessions with Allyce
